

Dear Vendor,

On July 9, 2017 the Selinsgrove Area Chamber of Commerce will sponsor its annual summer ***ANTIQUES ON THE AVENUE*** show and sale. This will be the 28th year this exciting show has been held. Each year, we continue to work at bringing together a variety of the best antique and collectible dealers.

Last year, as added attractions to draw more people to the show, we had museum displays and an antiques appraiser from Cordier Auctions in Harrisburg. We also had local restaurants offering a greater variety of food. All these attractions were very popular, and in addition to the rest areas, held the public at the show for longer periods of time.
